

Demystifying Pediatric Cataract (1st July 2018)

PROGRAM

Session I: Evaluation, Investigation of pediatric cataract

(Session Chair: Dr Ken Nischal, Dr Vivek Warkad)

| | | |
|-----------------|--|---------------------|
| 8:30-8:35 am | Welcome address | Suryasnata Rath |
| 8:35-8:45 am | Morphology and etiology of pediatric cataract (Pictorial presentation) | Mithila Negalur |
| 8:45-9:05 am | When to suspect systemic involvement in pediatric cataract | Ken Nischal |
| 9:05-09:20 am | Calculation of IOL Power | Sumit Monga |
| 9:20- 09:35 am | Cataract surgery with IOL implantation <1 yr Vs >1yr | Siddharth Kesarwani |
| 9:35- 09:50 am | Evaluation of non cataractous pediatric lens disorders | Virender Sachdeva |
| 9:50-10:30am | Interactive session Questions from webinar for each faculty | |
| 10:30- 11:00 am | Coffee Break | |

Session II: Surgical management of pediatric cataract.

(Session Chair: Dr Ken Nischal, Dr Virender Sachdeva)

| | | |
|-----------------|---|---------------------|
| 11:00-11:15 am | Step by step Pediatric cataract surgery | Rasheena Bansal |
| 11:15-11:30 am | Intra operative complications and Management | Niranjan Pehere |
| 11:30-11:50 am | Difficult case scenarios: I (Calcified thick capsule, Post-lenticonus) | Ramesh Kekunnaya |
| 11:50- 12:05 pm | Difficult case scenarios: II (Cataract surgery in anterior segment disorders) | Muralidhar Rammappa |

12:05-12:25 pm Difficult case scenarios: III (Traumatic cataract, subluxated lens)

Ken Nischal

12:25-12:40 pm Post-operative complications and its management

Akshay Badakare

12:40-1:15 pm Interactive session

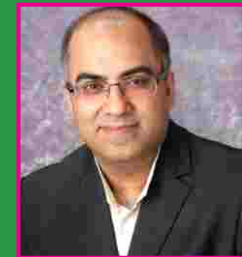

01:15-2:00 pm Lunch Break

Session III -What's new in pediatric cataract?

(Session Chair: Dr Ken Nischal, Dr Ramesh Kekunnaya)

| | | |
|---------------|---|------------------|
| 2:00-2:15 pm | Management of surgical aphakia | Uppal Gandhi |
| 2:15-2:35 pm | Role of Intra operative OCT in pediatric cataract | Ken Nischal |
| 2:35- 2:50 pm | Zepto Laser Capsulotomy in pediatric cataract | Vivek Warkad |
| 2:50 -3:10 pm | Neuro-visual processing after delayed pediatric cataract surgery | Ramesh Kekunnaya |
| 3:10-3:30 pm | Debate: Multifocal /Accommodative IOL what is the future? Speaking for | Jenil Sheth |
| | Speaking against | Rajat Kapoor |
| 3:30-3:50 pm | Interactive session | |
| 3:50-4:05 pm | Vote of thanks | Vivek Warkad |
| 4:05-4:15 | Coffee and end of session | |

Guest Faculty

Dr Ken Nischal

Chief, Division of Pediatric Ophthalmology, Strabismus, and Adult Motility
Director, Pediatric Program Development, UPMC Eye Center
Professor of Ophthalmology, University of Pittsburgh School of Medicine

Alumni Faculty

1. Dr Mithila Negalur
2. Dr Sumit Monga
3. Dr Siddharth Kesarwani
4. Dr Rasheena Bansal

LVPEI Faculty

- | | |
|-------------------------|---------------------------|
| 1. Dr Virender Sachdeva | 5. Dr Muralidhar Rammappa |
| 2. Dr Niranjan Pehere | 6. Dr Akshay Badakare |
| 3. Dr Ramesh Kekunnaya | 7. Dr Uppal Gandhi |
| 4. Dr Vivek Warkad | 8. Dr Rajat Kapoor |
| | 9. Dr Jenil Sheth |
