- *Newer Advances*
- *Grand rounds*
- *Tea with Experts*
- *Quiz Competition*

Venue: **Patodia Auditorium**, Level 6, LV Prasad Eye Institute, Hyderabad.

Dear Postgraduate students,

EYE PEP has always been about guiding postgraduate students in the right direction. It has played a catalytic role in helping them realize their full potential in the field of ophthalmology for many years now.

This year, we have modified the program to provide close to One Thousand 'Clinical and Surgical Pearls and Tea with Experts'. These are interactive sessions, which will encourage active participation. By end of the program, participants would have benefitted immensely in terms of practical knowledge and the ability to face their exams in a confident manner.

The Grand Round and Quiz Competitions will be held this year too and an interactive session with Prof.Vijaya Raghavan will be a part of the session.
